PREPARATION

- Review and refer to this lesson plan to keep class fluid and to ensure you explain all key points and a brief history of the sport.
- Have at least one rugby ball per five students for the class (size 5 rugby balls are recommended for this age group).
- Set up the pitch(s) to the appropriate dimension for the class size.

VALUE OF THE DAY: LEADERSHIP

As leaders, we work to set a positive example for others to follow. A leader is someone who encourages and supports their peers, listens to their ideas, and helps their teammates work together towards a common goal. Leaders are good role models who inspire others with their actions and words.

RULES SUMMARY: 1 MINUTE

- Flag belt needs to be hip height with 2 flags, one velcroed to each hip
- A try is worth 5 points
- To score a try, you must press the ball into the ground, like you are squashing a bug!

For extended Flag Rugby rules, please see [Page 2 of the Imagine Rugby Handbook](#).

WARM UPS: 5 MINUTES

Circle Passing - Emphasizing proper passing form, creating competitions and variations that get the kids moving and having fun. Speed passing and consecutive passes without a drop are always fun and competitive.

DAY TWO PLAN

INTRODUCE THE SKILLS: 15 MINUTES

Evasion – To make progress up the field towards the try zone, we must evade players that are defending us. We must continue to find holes in the defense and continue to move forward through them via evasion.

Flag Pulling – On defense, we must be able to pull flags of the attacking team to slow their progression up the field. Make sure you reach for the hip and grab the flag and call out “FLAG” to make it known so the attacker stops to pass the ball.

FLAG RUGBY PROGRESSION: 15 MINUTES

2v1 – To apply all skills to a mini game-like situation between 2 attacking players and one defensive player where the offence can effectively execute an overload on the defense.

GAMES: 10 MINUTES

Rugby Freeze Tag - This game is great to utilize a large space and get the kids running around. Rotate taggers around so that every student gets a chance to participate. Emphasize communication amongst players as well as teamwork.
